TRANSFORMING LIVES. EQUIPPING CHURCHES.

Leadership and Church Partnership Information

Thank you for your interest in partnering with *Hope for Addiction, Inc.* to walk alongside, equip and care for those who struggle with addiction. People are lost in the hopelessness of their sin but through Christ's work on the cross there is freedom. We have the unique privilege to serve people who have been conditioned by our culture to think that they are "sick" with a disease and have been told that no one understands their problem. The scriptures clearly present Christ and Him crucified as the solution for anyone ensnared by sin, including addicts (James 1 describes this).

Hope for Addiction believes God's Word is sufficient for all things (2 Timothy 3:15-17). *Hope for Addiction* is not a "step program" with rituals or checklists; instead, our mission is to help people engage with the Savior who can rescue all. This mission is accomplished through the power of Christ, genuine fellowship with believers in the local church and the belief that Christ has given us everything for life and godliness through knowledge of Him who called us (2 Peter 1:3).

As we navigate through the practical "how-to's" of this mission, we understand that each person's story and situation is different, but the hope and help, the solution, is the same for everyone - the saving knowledge of Jesus Christ. One of the practical tools being used within *Hope for Addiction* to bring this message of the gospel is our weekly recovery meeting, *Recovering Hope*.

The mission of *Recovering Hope* is:

In a loving and grace-filled environment, we will share the transforming power of the gospel of Jesus Christ and explore its daily application in the lives of those struggling with addiction.

In short, we help addicts meet Jesus who has the power to transform them and give them hope. The *Recovering Hope* meeting presents practical tools for how to apply God's Word to everyday struggles. Our culture conditions us to believe we are unique and no one understands us. We help people see

they are just like everyone else and their real issue is not addiction, but sin. And the solution for sin is to understand that Jesus died to rescue us from sin. Connecting people to the truth of God's Word and building a bridge to the local church are secondary goals.

Each meeting topic includes three themes: 1) Gospel (Jesus died for my sins), 2) honest reflection (my need for a Savior/repentance) and, 3) connection with community/local church/living life with brothers and sisters in Christ. The topics/lessons have been created using God's Word as well as various authors (Paul David Tripp, Ed Welch, Mark E Shaw, John Piper, David Powlison and others). The lessons have been pastorally reviewed and are approved for presentation. While each group will develop its own personality and leadership will vary, the lessons will be followed as closely as possible to maintain the integrity of the mission of *Hope for Addiction, Inc.* As each group grows, there may be topics the leader would like to submit for consideration. We welcome each group's input!

Hope for Addiction is committed to helping people overcome addictions through the transforming power of grace. We believe men and women can be transformed and experience freedom from addictions as they interact with the Savior and become invested in the local church for ongoing discipleship, biblical teaching and community. We are excited to see what God does in you and your church as you serve hurting people who struggle with addiction.

Amazed by His grace,

We believe/Our values:

- The power of Christ has given us everything we need for life and godliness (2 Peter 1:3).
- In Christ we have a new identity, we are no longer identified by our addiction or our sin (2 Corinthians 5:17).
- Our life is about growing in our knowledge of God, not about pursuing sobriety. Sobriety will be an outcome of obedience to Christ through the power of the Holy Spirit at work within us (Colossians 1:9-10, Galatians 5:16).
- We believe that the Bible is God's infallible Word and necessary for guidance in all of life, not just sobriety (2 Timothy 3:16-17)
- We live in Christian community so we may be built up, encouraged in our faith and grow in our knowledge of God (Colossians 2:7, Hebrews 10:24-25, Galatians 6:1).
- All Christians, even recovering addicts, need to be meaningfully involved in a local church (Ephesians 4).
- The good news of the gospel is not only that we can be saved by Christ, but that we are being renewed into the image of Christ, making the gospel central for all of life.
- We believe in one God, eternally existing in three equally divine Persons: the Father, the Son, and the Holy Spirit.
- We believe God created human beings, male and female, in his own image. Men and women are made equally in God's image and both have equal access to God by faith in Christ Jesus. God ordains distinctive roles that reflect the loving relationship between Christ and the church.

This is about God's work and sometimes we aren't able to quickly see fruit. *Hope for Addiction* will assist you in appropriate boundaries, but it is essential that you be ready to participate for an extended time. The Heart of the *Hope for Addiction* Leader

Identify the leaders in your church:

Walking with someone who struggles with addiction can be a daunting journey. Specific qualities are helpful to build a strong ministry within your church. Identifying the right people within your church to lead your *Hope for Addiction* ministry will assist in creating an effective outreach to those you are caring for. This person should:

- Believe in the mission and purpose of *Hope for Addiction* as a gospel-centered ministry for addictions, presenting a biblical approach to addiction rather than a cultural one. (See beliefs/values, page 3 of the leadership packet),
- Be mature in their faith, passionate about the gospel, able to apply gospel truths to everyday life, investing in others.
- Have a willingness to learn, teachable and willing to understand more fully biblical application as it applies to addiction (idolatry, sin).

- Exhibit these qualities:

Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.

Colossians 2:6-7

Put on then, as God's chosen ones, holy and beloved, compassionate hearts, kindness, humility, meekness, and patience, bearing with one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. And above all these put on love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in one body. And be thankful. Let the word of Christ dwell in you richly, teaching

and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God. And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him. Colossians 3:12-15

And we urge you, brothers, admonish the idle, encourage the fainthearted, help the weak, be patient with them all. 1 Thessalonians 5:14

As you consider these qualities, who in your church comes to mind? This is the heart of the person who will excel in leading within *Hope for Addiction*.
